15. Using the site on a phone
16. Gate checklist

1 Purpose of the Volunteer role

As a **Volunteer** you help at the gate. You scan participants' QR passes, let verified participants in (CHECK IN) and record when they leave (CHECK OUT).

You can also look up a participant who has no QR, send them their QR email, and correct their email address.

What I can access

Feature	Volunteer
Scan QR passes	✓ Yes
Find participant (list of all participants, search)	✓ Yes
Check IN / Check OUT	✓ Yes
Send the participant their own QR email	✓ Yes
Change a participant's email	✓ Yes
Verify a participant	Only if the organisers enabled it – then a Verify button appears
Block / unblock, colleges, bulk emails, gate log, arrivals, staff, admin pages	✗ No
Full Aadhaar, Aadhaar card, mobile number	✗ No

2 How to sign in

You do not need a password. You sign in with a **one-time link** sent to your email address.

- 1 Open the Infinito website address given to you by the organisers. You will see **Staff sign in**.
- 2 Type the email address that was registered for you as a Volunteer and tap **Email me a sign-in link**.
- 3 Open your email inbox. You will receive **"Your Infinito staff sign-in link"**. If it is not there after a minute, check the Spam folder.
- 4 Tap **Sign in** in the email. A page **Sign in to Infinito** opens. Tap **Continue**.
- 5 You are signed in and land on the **Scan** page.

Staff sign in

Organisers and volunteers: enter the email you were registered with. We'll email you a sign-in link.

I am

Email me a sign-in link

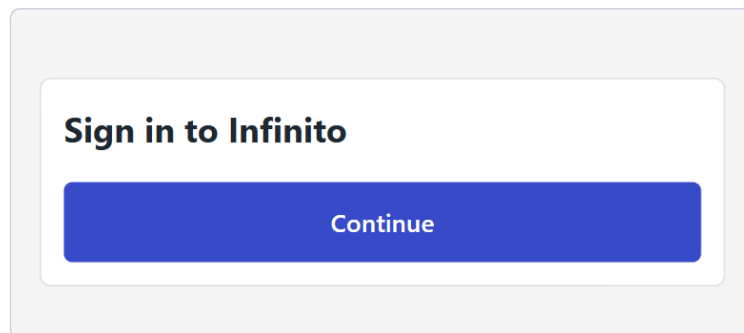

The sign-in page

Check your email

If **you@example.com** belongs to Infinito staff, a sign-in link is sent to your email. It works once and expires in 15 minutes.

Open it on the phone or laptop you want to use. Nothing arrives in your inbox. Check spam, or ask an admin to add you.

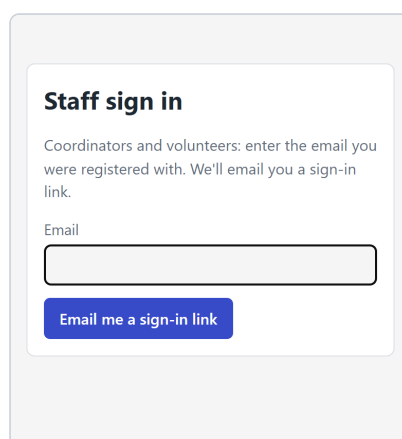

After you ask for a link

The page that opens from the email link: tap Continue

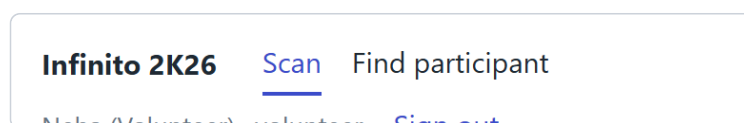

Important A sign-in link works **only once** and expires after **15 minutes**. If you see “This link has expired or was already used”, simply ask for a new link. A new link can be requested about once per minute.

Tip Open the link on the same phone or computer you want to use. You stay signed in on that device until you tap **Sign out** (top-right) or the session ends after some days.

Sign-in on a phone

3 Navigation overview

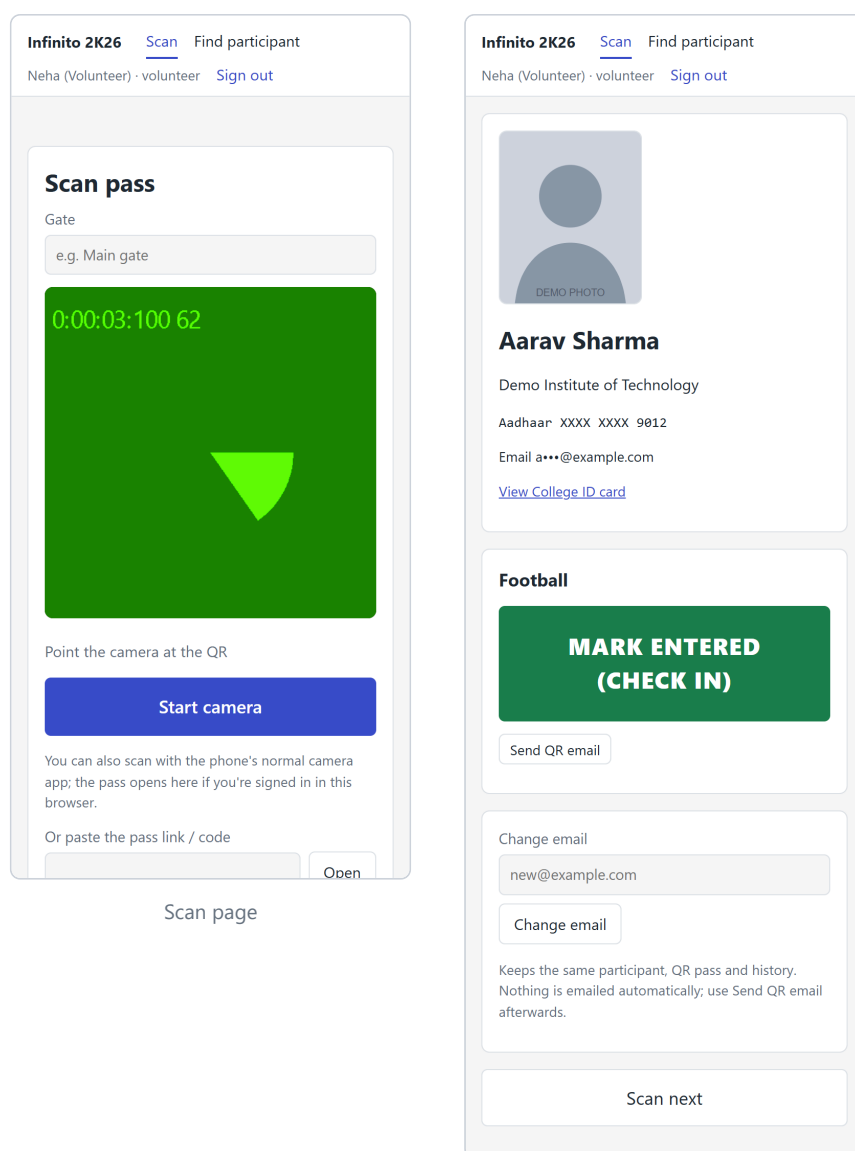

Your menu

Menu item	Use it for
Scan	Scan a QR pass with the phone camera.
Find participant	The list of all participants, with search – for people without a QR.

These are the only two items you need. Your name is shown at the top with **Sign out**.

4 Scan a QR pass

Scan page

After scanning – the gate card

- 1 Tap **Scan** in the menu.
- 2 The first time, the browser asks to use the camera. Tap **Allow**. The camera picture appears.
- 3 Optional: type your gate name in **Gate** (for example "Main gate"). The phone remembers it.
- 4 Point the camera at the participant's QR code. The participant's gate card opens automatically.

Tip If the camera does not start, tap **Start camera**, check that camera permission is allowed for the website, or scan the QR with the phone's normal camera app – the pass opens in your browser if you are signed in there. You can also paste the pass link into **Or paste the pass link / code** and tap **Open**.

Read the gate card

- Check the **photo**, **name** and **college** against the person in front of you.
- Tap **View College ID card** if you need to check their ID.
- Aadhaar is shown only as XXXX XXXX 1234 and the email is partly hidden (a***@example.com). This is intentional.

What the card shows	What it means	What to do
Green MARK ENTERED (CHECK IN)	Verified participant, currently outside .	Check the photo, name and college. Then tap the green button.
ALREADY ENTERED · INSIDE and CHECK OUT (OUT)	The participant is currently inside .	Do not let them in again. Tap CHECK OUT only when they are leaving.
NOT VERIFIED · DO NOT ADMIT	The registration has not been verified (or was rejected).	Do not admit. Send the person to the help desk / a coordinator.
ACCESS BLOCKED	The organisers have blocked this participant.	Do not admit or check out. Ask them to contact a coordinator/admin.
INVALID QR	The code is not an Infinito pass.	Do not admit. Ask for the email with their QR, or send them to the help desk.

5 Check IN and Check OUT

- 1 Participant is outside → tap the green **MARK ENTERED (CHECK IN)**.
- 2 A green message confirms: **ENTERED (CHECK IN)** with name, college, event and exact time. Now INSIDE.
- 3 When they leave → scan again and tap **CHECK OUT (OUT)**. The message says **CHECKED OUT**. Now OUTSIDE.

The image shows two screenshots of the 'Infinito 2K26' app interface, demonstrating the 'Check IN' and 'Check OUT' process for a participant named Aarav Sharma.

Left Screenshot (Check IN):

- Header: Infinito 2K26, Scan, Find participant, Neha (Volunteer) · volunteer, Sign out
- Green message box: **✓ ENTERED (CHECK IN):** Aarav Sharma · Demo Institute of Technology · Football · 03 Oct 2026, 02:31:13. Now INSIDE.
- Participant photo placeholder: DEMO PHOTO
- Participant name: **Aarav Sharma**
- Participant details: Demo Institute of Technology, Aadhaar XXXX XXXX 9012, Email a***@example.com, [View College ID card](#)
- Event section: **Football**, **ALREADY ENTERED · INSIDE** since 3 Oct, 02:31 by Neha (Volunteer), **CHECK OUT (OUT)** button, Send QR email button
- Change email section: Input field with new@example.com, Change email button, Note: Keeps the same participant, QR pass and history. Nothing is emailed automatically; use Send QR email afterwards.
- Bottom button: Scan next

Right Screenshot (Check OUT):

- Header: Infinito 2K26, Scan, Find participant, Neha (Volunteer) · volunteer, Sign out
- Green message box: **← CHECKED OUT:** Aarav Sharma · Demo Institute of Technology · Football · 03 Oct 2026, 02:31:14. Now OUTSIDE.
- Participant photo placeholder
- Text below photo: Checked out

Checked in – the card now offers CHECK OUT

- After CHECK OUT the participant can come back and be checked in again.
- Tap **Scan next** for the next person.

Messages you may see

Message on screen	Meaning
 ENTERED (CHECK IN): name · college · event · time. Now INSIDE.	Entry recorded at that exact time.
 CHECKED OUT: name · college · event · time. Now OUTSIDE.	Exit recorded.
ALREADY ENTERED: inside since ... Do not admit again; check out first.	They are already inside. Someone may be re-using the pass.
Cannot check out: this participant has never checked in / not inside.	There is nothing to check out.
ACCESS BLOCKED: registration access has been blocked...	Blocked participant – no IN or OUT allowed.
NOT VERIFIED. Do not admit.	Registration is not verified.

7 Find participant

Find participant is the list of **all participants**. Use it when someone has no QR, or to look someone up.

The participant list

- 1 Tap **Find participant** in the menu. The list shows every participant: **Name**, **College**, **Event** and **Status** (Outside, Inside, Not verified, Blocked).
- 2 To search, type a name, college or event and tap **Search**. Tap **Clear** to see everyone again.
- 3 If the list is long, use **Next** → at the bottom.
- 4 Tap a participant to open their card.

You will not see mobile numbers, roll numbers or full Aadhaar numbers in this list.

MARK ENTERED (CHECK IN)

[Send QR email](#)

Change email

[Change email](#)

Keeps the same participant, QR pass and history. Nothing is emailed automatically; use Send QR email afterwards.

[Scan next](#)

The card shows: **photo**, **name**, **college**, **event**, **Aadhaar last 4 digits**, the **College ID card** link, the email (partly hidden), and the verification and gate state.

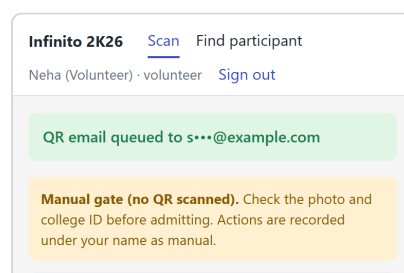

Your buttons on this card:

- [MARK ENTERED \(CHECK IN\)](#) / [CHECK OUT \(OUT\)](#)
- [Send QR email](#)
- [Change email](#)
- [Verify](#) – only if the organisers have enabled it

Important When opened from Find participant, the card says **“Manual gate (no QR scanned)”**. Check the photo and College ID card carefully before letting the person in.

9 Send QR email

- 1 Open the participant (scan or Find participant).
- 2 Tap **Send QR email**.
- 3 A message confirms, for example “**QR email queued to s...@example.com**”.

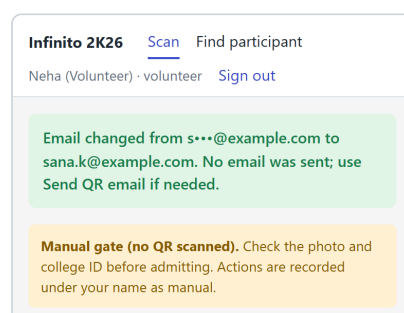

QR email queued

- It sends **only this participant's own QR** to their own email. It is not a bulk email.
- The address is partly hidden on purpose.
- The button appears only for verified participants.
- If you see “A QR email for this participant is already queued”, wait a minute.

10 Change email

- 1 Open the participant.
- 2 Scroll to **Change email**, type the correct new address.
- 3 Tap **Change email**. A message confirms the change.
- 4 Then tap **Send QR email** so the pass goes to the new address.

Email changed

- It is still the same participant with the same QR pass.
- An invalid address, or one used by another participant, is refused.
- Nothing is sent automatically – use Send QR email.

11 Verify (only if enabled)

- If a **Verify** button appears on a not-verified participant, the organisers allow volunteers to verify. Check the person's photo and College ID card, then tap **Verify**. Their QR email is sent automatically after about 2 minutes.
- If there is **no Verify button**, verification is not available to volunteers. Send the person to the help desk / a coordinator.

12 When the participant has no QR

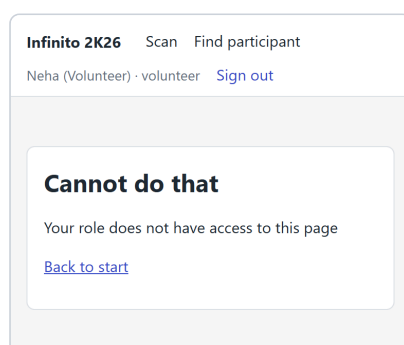

- 1 Tap **Find participant**.
- 2 Search their name (or browse the list) and tap them.
- 3 Check identity: photo, name, college and the **College ID card**.
- 4 If verified and outside, tap **MARK ENTERED (CHECK IN)**.
- 5 Optionally tap **Send QR email** so they have the pass next time.

13 Volunteer restrictions

Volunteers **cannot**:

- Block or unblock participants
- Open colleges or send college / bulk emails (including “send QR to all students”)
- Open the Gate log
- Open Arrivals / Departures
- Manage staff or open admin pages
- See the full Aadhaar number, the Aadhaar card or any Aadhaar document
- See mobile numbers, roll numbers or other private details

Use only **Scan**, **Find participant** and the buttons on the participant card. If you open another page you will see a message that your role does not have access.

Opening a page you do not have access to

14 Common errors and what to do

You see	What to do
Camera does not start	Allow camera permission, tap Start camera, or scan with the phone camera app.
“This link has expired or was already used”	Request a new sign-in link.
“That is not an Infinito pass code”	The pasted link is wrong; scan the QR or use Find participant.
“Your role does not have access to this page”	That page is not for volunteers. Use Scan or Find participant.
“Not verified, so there is no pass to send”	The person is not verified – send them to a coordinator.
“... is not a valid email” / “already belongs to another participant”	Check the email address you typed.

15 Using the site on a phone

The website is the same on a phone and on a computer. There is no separate app and nothing to install.

- Open the website in your phone’s normal browser (Chrome, Safari, Edge...) and sign in the same way.
- The menu at the top is the same; on a narrow screen the links simply wrap onto a second line.
- Wide tables can be **scrolled sideways** with your finger.
- Turn the phone sideways (landscape) if you want to see more columns at once.
- Long names and email addresses wrap onto the next line.
- **Keep the phone charged** and the screen brightness up at the gate.

- Allow camera permission for the website the first time.
- Type your gate name once on the Scan page; the phone remembers it.
- Stay signed in on your phone during your shift; sign out when you hand the phone to someone else.

16 Gate checklist

- ☐ Scan the QR (or Find participant if there is no QR)
- ☐ Compare the photo and name with the person
- ☐ Check the college; open the College ID card if needed
- ☐ Check the status: verified? not blocked?
- ☐ Check the gate state: outside → CHECK IN, inside → CHECK OUT
- ☐ Wait for the green confirmation message
- ☐ Tap Scan next

Card shows	Do
Green MARK ENTERED	Check identity → tap it
ALREADY ENTERED · INSIDE	Do not admit again
NOT VERIFIED	Do not admit → help desk
ACCESS BLOCKED	Do not admit → coordinator/admin
INVALID QR	Do not admit → Find participant / help desk
